

Tomcat Farm Caravan Site and Services

Website Privacy Policy

The policy: This privacy policy is for this website; [www.tomcatfarm.co.uk] and served by Tomcat Farm, Old London Road, Copdock, Ipswich, Suffolk, IP8 3JF and governs the privacy of its users who choose to use it. It explains how we comply with the GDPR (General Data Protection Regulation), the DPA (Data Protection Act) [pre GDPR enforcement] and the PECR (Privacy and Electronic Communications Regulations).

This policy will explain areas of this website that may affect your privacy and personal details, how we process, collect, manage and store those details and how your rights under the GDPR, DPA & PECR are adhere to. Additionally it will explain the use of cookies or software and the download of any documents, files or software made available to you (if any) on this website. Further explanations may be provided for specific pages or features of this website in order to help you understand how we, this website and its third parties (if any) interact with you and your computer / device in order to serve it to you. Our contact information is provided if you have any questions.

The DPA & GDPR May 2018

We and this website complies to the DPA (Data Protection Act 1998) and complies to the GDPR (General Data Protection Regulation) which comes into affect from May 2018. We will update this policy accordingly after the completion of the UK's exit from the European Union.

Use of Cookies

This website uses cookies to better the users experience while visiting the website. As required by legislation, where applicable this website uses a cookie control system, allowing the user to give explicit permission or to deny the use of /saving of cookies on their computer / device.

What are cookies? Cookies are small files saved to the user's computers hard drive that track, save and store information about the user's interactions and usage of the website. This allows the website, through its server to provide the users with a tailored experience within this website. Users are advised that if they wish to deny the use and saving of cookies from this website on to their computers hard drive they should take necessary steps within their web browsers security settings to block all cookies from this website and its external serving vendors or use the cookie control system if available upon their first visit.

Website Visitor Tracking

This website uses tracking software to monitor its visitors to better understand how they use it. The software will save a cookie to your computers hard drive in order to track and monitor your engagement and usage of the website, but will not store, save or collect personal information.

Contact & Communication With us

Users contacting this us through this website do so at their own discretion and provide any such personal details requested at their own risk. Your personal information is kept private and stored securely until a time it is no longer required or has no use.

We have a lawful basis to process your personal data in order to fulfil our contractual obligations to you.

The lawful basis to process your personal data is

- ✚ Consent of the data subject
- ✚ For the performance of a contract with the data subject.

Your personal data is only used and stored if you contact directly through the website and only for the purposes of booking any services that we offer at Tomcat Farm. If the service is not required or when it has been completed the data held is deleted/destroyed. No data is ever sold or shared with third parties.

External Website Links & Third Parties

Although we only look to include quality, safe and relevant external links, users are advised to adopt a policy of caution before clicking any external web links mentioned throughout this website. (External links are clickable text / banner / image links to other websites, similar to; [Church Cottage, Llawhaden](#) or www.celticinst.com.)

Shortened URL's; URL shortening is a technique used on the web to shorten URL's (Uniform Resource Locators) to something substantially shorter. This technique is especially used in social media and looks similar to this (example: <http://bit.ly/zyVUBo>). Users should take caution before clicking on shortened URL links and verify their authenticity before proceeding.

We cannot guarantee or verify the contents of any externally linked website despite our best efforts. Users should therefore note they click on external links at their own risk and we cannot be held liable for any damages or implications caused by visiting any external links mentioned.

Social Media Policy & Usage

We adopt a Social Media Policy to ensure our business and our staff conduct themselves accordingly online. While we may have official profiles on social media platforms users are advised to verify authenticity of such profiles before engaging with, or sharing information with such profiles. We will never ask for user passwords or personal details on social media platforms. Users are advised to conduct themselves appropriately when engaging with us on social media.

There may be instances where our website features social sharing buttons, which help share web content directly from web pages to the respective social media platforms. You use social sharing buttons at your own discretion and accept that doing so may publish content to your social media profile feed or page. You can find further information about some social media privacy and usage policies in the resources section below.
